

# Group Volunteering

Teams, clubs, and other organizations of 5-15 individuals are welcome to make an appointment to volunteer as a group. The farm is sometimes able to accommodate groups of larger sizes. Every attempt will be made to accommodate your group, however we are limited in staff.

If you're interested in setting up a volunteer opportunity, first look over our Group Volunteer Agreement Form. Then call our director or farm manager to schedule a time to volunteer at least two weeks in advance.

All group volunteers will be asked to bring a completed Group Emergency Contact Form and the group leader should bring the completed agreement form.

Sample group activities include:

- Repackaging bulk items
- Stocking shelves
- Sorting/ bagging potatoes
- Flattening bags
- Deep cleaning
- Weed removal
- Harvesting produce
- Cleaning and weighing produce
